DEB DEVRIES

Classes: Spin | Total Body Boot Camp

Deb lives in Zeeland with her husband Jon and children Josh and Nicole and is very involved in their activities. Prior to her fitness position at Zeeland Recreation, she was the Corporate Staffing Manager at Gentex Corporation for 15 years. After a 20-year career in Human Resources, Deb decided to focus on two areas in life she loves: family and fitness. "I used to struggle with self-image and that held me back in several areas of my life. My goal as a fitness instructor is to help those who have the same struggle. I want people to see their strengths and potential and know there is so much more to them besides the number on the scale and what they see in the mirror. I absolutely love teaching at Zeeland Recreation and helping people become stronger, healthier individuals. Seeing their confidence increase with each class is the best. If someone walks by or tries one of my classes they will see people working hard yet having a lot of fun as well. That's what fitness is all about!"

GRACE SPELDE

Class: Zumba

Grace Spelde has always danced at the grocery store. She figures that if her grocer doesn’t want high kicks in the produce section, they shouldn’t have “New York, New York” on the play list ☺. She doesn’t dance because she is particularly good at it... she just can’t help but dance because she loves it! In 2007, Grace discovered Zumba and was thrilled to find out that she could burn lots of calories and improve her overall fitness level while doing something that she couldn’t help doing anyway. When the invitation was extended to become a licensed Zumba instructor, that was a no-brainer, and now she gets to throw a dance party several times a week at the amazing Zeeland Recreation Center. She promises that if you join her class, you will burn lots of calories, you will improve your overall fitness level, and you will learn some sweet, Latin-inspired moves to spice up that dance you do in the produce section.
