

**ZEELAND RECREATION
ADULT SPORTS LEAGUE FREE AGENT FORM**

Zeeland Recreation receives several inquiries from individual players (“free agents”) hoping to join an already existing adult sports league team. Unfortunately, we only process team registrations for our adult sports leagues. However, to help get those free agents involved, we do the following:

1. We allow them to register themselves as a free agent and we then pass their contact information on to all team managers of that league. Any team manager can then contact a free agent to join their team for the duration of that season.
2. If enough free agents register to form a full team, we offer those free agents the opportunity to form a team and register for that league (if space allows).

To register as a “free agent” in order to join an adult sports league team, fill out this two-page form and submit it to our Zeeland Recreation office, or by scanning it in an email to bgeertsm@zps.org.

** There is no charge to submit a free agent form. It is at the discretion of the team manager that adds that player to their team to charge them a fee to plan on his/her team.*
