

## COED SOFTBALL LEAGUE STANDINGS

Last Update: July 17<sup>th</sup>, 2017

---

### **Tie-Breaker Policies:**

Two Team Ties: If there are two teams tied with the same record at the end of a regular season, head-head record will determine the champion (if the head-head record doesn't clearly determine champion, co-champions will be named).

Three + Team Ties: If there are three or more teams tied, head-head record will determine the champion. If one of the teams tied in first defeated all other first place teams, they are the champions. If one team didn't beat all other teams tied with them in first place, then all teams are named "co-champions".

If All Teams Haven't Played the Same Amount of Games: no team will be withheld a regular season championship or co-championship due to having less games than another team. For example, if one team finishes with a 5-1 regular season record and another team finishes with a 4-1 regular season record, those two teams will be named "co-champions" (unless the head-head tie-breaker breaks that "tie").
