Saturday	June 10, 2017	2:30 PM	3:30 PM	W - White Sox	Y - Yankees	Majors

- As part of Kaat Kids day, all teams are scheduled to participate for an hour in a continuous game.
- As each team arrives, the players substitute into the line-up and the score continues.
- The game does not count in any standings, but does count toward daily/weekly pitch count totals.
- If you are short of 9 players, substitutes may be used freely and are usually available at the field.
- By the end of the event, we may play over 50 innings and a team may score over 100 runs.
- Our goal is to make this an annual community event and play the continuous game over multiple days to challenge the record for longest continuous game. **MAYBE SOMEDAY!!**
