

Zeeland Recreation Spring Dance Concert Costume and Hair Requirements (by class)

Shoes for Ladies:

Dance Fundamental, Pre-Primary and Primary classes: Pink canvas or leather ballet
Secondary classes: Pink ballet slippers and tan jazz shoes, unless otherwise noted.
Tap classes: Tan tap shoes.

Shoes for Gentlemen: Black (see instructor for details)

Special Notes on Tights: Tights should be footed- covering the ankle and foot completely, unless otherwise noted. Convertible tights, which have a hole at the bottom of the foot so the dancer can switch to barefoot are acceptable for footed tights. Dancers may use a tan body tight (designed to fit up to the arm pit and fitted with clear or tan straps) when tan tights are required or for modesty in changing/extra coverage. Tan tights can layer under pink tights, but not vice versa. ALL tights should be matte, not shiny. Tights made for dance have no visible "control top" or seams at the top of the thigh. Tights need to be in new condition with no rips, runs, stains or tint (like from washing with blues).
