5. **Competition Levels:** We typically have four competition levels (A, B, C, D). During registration, please indicate what level fits your team best. Your request, along with a review of previous season results (if applicable), will be used to determine your competition level placement
6. **Team Managers Expectations:** All teams must have a manager who is responsible for the behavior of its team members/spectators, communicating league rules to team members, submitting the team fee, submitting a roster, and responding promptly to Rec staff. Communication with the Rec office must be handled through team manager only
7. **Ejections:**

### 10. Regular Season & Tournament Champions Tie-Breakers:

- a. Two Team Ties: If there are two teams tied with the same record at the end of a regular season, head-head record will determine champions. If head-head record doesn't determine a champion, co-champs will be named
- b. Three Team Ties (or more): If there are three or more teams tied, head-head record will determine the champion. If one team didn't beat each team they are tied with in the head-head record, then all teams are co-champs
- c. If All Teams Haven't Played the Same Amount of Sets: No team will be withheld a regular season championship due to having played less sets than another team. For example, if one team finishes with a 20-5 record and another team finishes with a 21-5 record, those two teams will be named co-champions (unless the head-head tie-breaker breaks that tie)

### 11. Roster Guidelines: No team will be allowed to play until their roster is officially submitted to Zeeland Recreation. If a team violates any of the below guidelines, all three sets in that match will be forfeited

- a. There is no limit to how many players you have on your roster
- b. Players must be on your roster in order to play for your team
- c. No players may be on your roster if they are on another roster in your competition level (ex: A, B, C, D)
- d. Roster Additions: You can add players to your roster at any point during the regular season
- e. Tournament Eligibility: In order for a player to play for a team in the tournament, that player must be on your roster and have played in at least **one** regular season match for your team
- f. Roster Protests: Protests may be verbalized to the site supervisor. The site supervisor will then approach the player(s) in question and ask for their first and last name. They will then pass that name onto the league director for verification. If that player is not on that team's roster, that team forfeits all three sets of that match. If that player refuses to give a name or gives a false name, all three sets of that match will be forfeited

### 12. Keeping Score:

- a. The official game score will be kept by players and/or a spectator on a flip scoreboard next to each court
- b. To avoid confusion, the server should verbalize the score before each serve

### 13. No Referees: There are not referees for this league

### 14. Self-Reporting Violations: Officiating games are a group effort. Violations can be called by...

- a. The opposing team making the call
- b. A player or team can self-report a violation on themselves and/or their own team
- c. When a disagreement occurs, replay the point

### 15. In/Out Calls:

- a. It is the responsibility of the team on the side of the net where the ball lands to make the in or out call
- b. If in doubt, the ball should be called "in" OR that team can defer to the opponent to make the call
- c. When a disagreement occurs, replay the point

### 16. Score Reporting: Team managers are responsible for reporting their match results to the site supervisor each night after their game. Updated standings will then be emailed to team managers on a weekly basis

### 17. Game Time Limits: Every effort should be made to complete all three sets within the 60-minute time frame of your game to allow for all games each night to start as close to on time as possible. *\*Exception: Injury, Emergency, etc.*

### 18. Conflicts with School Programs: Throughout the season, there may be occasions where matches cannot start on time due to an overlap with ZPS programs (athletics, concerts, parent-teacher conferences, etc.). You will be guaranteed one hour of play, so please be patient and gracious if your match doesn't start on time

### 19. Net Height: Women's Leagues: 7' 4 1/8" | Co-Ed Leagues: 7' 11 5/8"
